Dear Sarah,

Both Automatic Electro-Plating Corp., and Foundry Street Corp. are presently in dire financial conditions. We hope for a quick resolution to the claims regarding the Diamond Alkali Superfund Site.

At this time both Automatic Electro-Plating and Foundry Street Corp., agree to release the financial analysis performed by the Environmental Protection Agency (EPA), for the purpose to settle with the ability to pay settlement.

If I can be of any more assistance in the future please don't hesitate to call.

Regards,

Michael J. O'Rourke  
President
